ALDERGROVE AGRICULTURAL FAIR  
AND FESTIVAL ASSOCIATION

# HISTORY

The Aldergrove Agricultural Fair & Festival Association (AAFFA), was a result of the amalgamation of the Aldergrove Festival Days Society and the Aldergrove Fair Association in 2013. This group has a proud history of promoting agriculture through education & community networking since 1912. We are a non-profit society run by volunteers that fosters community pride within Aldergrove and promotes Aldergrove to its neighbouring communities.

**Over 10,000 visitors each year, more and more are coming.**

With over 10,000 people walking through the gates each year, you know your company will be noticed. Sponsoring any event will raise your company's profile before, during and after the Fair. In our hi-tech world and hectic lifestyles, isn't it good to know that you can participate in an event where friends, families, and our community can unplug, get outside and have some good old fashioned fun! # WHY SPONSOR

Opportunities to showcase your company or Association to more than 10,000 visitors and thousands of Social Media followers before and during the Fair.

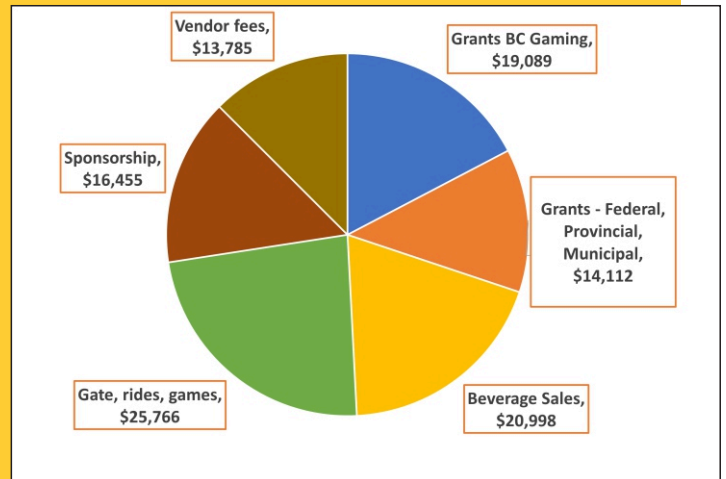

In 2025, our sponsors provided more than sixteen thousand dollars, representing 13% of our revenue.

We would love to see that double this year!

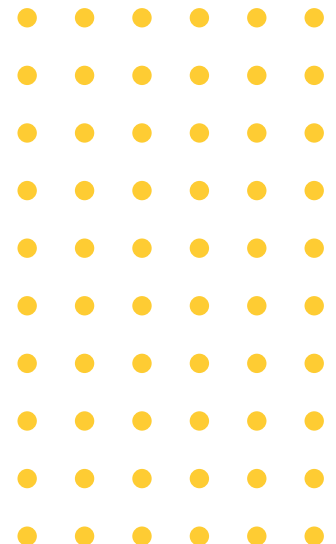

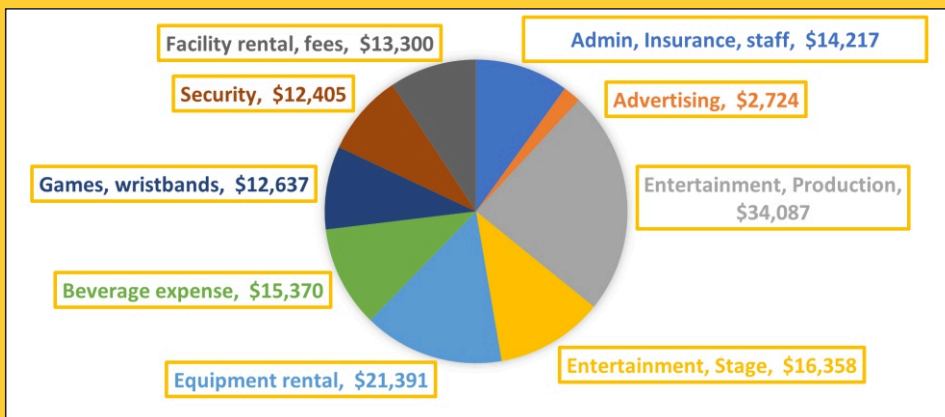

Many not-for-profit organisations are finding their funding is not growing at the same rate as expenses.

We spend less than 10% of our revenue on overhead expenses including insurance and summer student staff.
